## LOCKDOWN IS NO BARRIER

ETASHA alumni Amreen completed 7 months working with Hamley's. She is happy, satisfied and feels fortunate that she's part of the organised sector and therefore got fully paid for March and April even during the lockdown period. *"Had I not enrolled for the Vocational Training Course with ETASHA it would have been very difficult for me to sustain my family during the lockdown period."*

We at ETASHA understand that in these difficult times, you may have a lot of queries and concerns that you may want to discuss with someone you trust. Feel free to write or talk to us at [alumni@etashasociety.org](mailto:alumni@etashasociety.org)
